From the Commander

Post Members,

We hope to be starting dinners soon. I think they will all be starting back up by the end of August.

We do have some substitute meals in the meantime please come to one of those.

Elections have happened and I am once again your commander. If you are interested in running for next year, let me know and I will help you get started.

Poppy day did not happen this year, we will resume that activity next year.

Please, when you come into the post, check out the thermometer for donations for the renovation. We have recouped 62% of our monies in donations at the time I write this. We have gotten over \$800 in credits with the cans we have sorted so far. As well, we have had a fundraiser at the Double J resort, making breakfast at one of their events. Even so, we had bills and expenses over the months we were closed, so still need to continue our efforts. We appreciate those who have donated, Thank You.

Regular meetings have begun again. So please attend a meeting, we need your input.

Thank you for all you do for our post. As always feel free to call me with any questions or concerns along with what you will do to try to fix it.
