## From the Commander

Fellow Comrades,

The "Queen of Hearts" game has made its debut without having the big winner. But the game is progressive, and when or who hits the Queen, the pot should be a nice chunk of change.

It's still awhile away, but the nomination of post officers is coming up. Please post members, think about becoming more involved with your post. You have all served your country, so now let's serve our post. We have a number of members who are wearing 2 or 3 hats because we don't have enough members to share the load. Let's take some pressure off them.

Super Bowl is coming up on the 4th of Feb. Let's hope it's a good game.

Don't forget your sweetie on the 14th.

For the Good of our Country

Jerry Doran

Commander

## For Your Consideration

Being a member of Veteran's of Foreign Wars is a privilege and an honor which all members should be proud of. With that commitment comes attending meetings, volunteering your time and supporting your officers and Post.

I know that many work full time, have children and other obligations, and feel they are not able to make the commitment. Well, many of those that are working are in the same situation and have managed to commit their time. If members would evaluate their priorities and time, they could manage an hour for a meeting and time to work one event a month.

Our elder members have worked and supported our Post for many years. They formed our Post and kept it running for many years. Without their commitment, we would not be here today. It is understandable that some members are not physically able to work but the knowledge and support is still needed. Those members that are physically able to step up to the plate and commit their time and service on a regular basis please volunteer your time for one event a month, attend regular meetings and be proud to be a Veterans of Foreign Wars member.

We have a great post, let's keep it running so we can continue to serve our Veterans.

## Auxiliary News

Dear Auxiliary Members,

Thank you again to all those members and non-members who have been volunteering with our dinners and funerals, we would not be able to do all we do without you. We will be making a phone tree to help staff funeral luncheons, if you would like to be added to this list, please let me know.

Auxiliary elections will be coming up soon and we will have some openings, so please think about how you will be able to serve our auxiliary and our club. We would love to see some new faces at our meetings! If you currently serve on a committee, the end of the quarter is January 31, so please have your reports done and entered.

Please remember that February will be our new fish fry dinner format. You will be getting your meal ticket and then waiting in line for your food. Extra fish will still be given out like in the past, and we will have a few servers available for those who are unable to stand in line. Remember that we are all volunteers, and to be patient as we try this new process in hopes that it will be a solution to our current staffing issue.

If you have not paid your 2018 dues, please make sure you are getting them in to stay in good standing.

If you are an officer and cannot make it to a meeting, please let me know so I can plan in advance for someone to stand in for you. Remember it pays to come to meetings, just ask Larry Pawlowski as he won the good of the order at the January meeting!

It was voted at the January meeting NOT to have a February meeting, so our next meeting will be March 14th at 6:30.

Thank you,  
Deb Cincush  
Auxiliary President
