From the Commander

Dear Comrades,

I apologize for the lateness of the newsletter. I was waiting for the meeting to see where we were at.

At this point, I believe the club is to reopen on the 1st of February. We will have to be at 25% capacity, so you will note there are fewer chairs. Tables will also be 6 feet apart with no more than 6 people at a table. The mask order is still in place, so please wear your masks when you get up from your seat. We will close at ten even if there are more than five people in the canteen. They will again be taking names of people at the club for contact tracing. These are all orders by DHHS, these are not the bartender's discretion, so please do not give them a hard time about it.

We have dwindled our extra funds down somewhat to pay bills during this second closure. The officers and in-house committee are busy finding ways to save money and ways to make more. For example, we are looking to lower our insurance costs and turning down the heat during this closure. There are a few grant opportunities out there and they are restarting some of the dinners and lunches. Please see the schedule.

If you are wanting specifics as to anything, please come to a meeting. I am hearing of people telling others totally wrong information about our expenditures and situation. Please do not speak of club business outside of the club and or the meeting you may be discussing. The information is being misheard and then passed on as though it were fact. I have attempted to be an open book regarding how things are going and have found that to be the case. Thank You.

Thank you for all you do for our post. As always feel free to call me with any questions or concerns along with what you will do to try to fix it.

Auxiliary News

Dear Auxiliary Members,

I hope this newsletter continues to find everyone well. We all hope our club will be opening soon, so keep an eye on Facebook for opening information as well as any dinner changes information.

We were sad that we had to cancel our kids Christmas Party, but plan on doing a 'Christmas in July' event on July 25th! All the children that signed up for the December party will be invited to attend. Any questions please contact myself or Linda Meier (231-286-4248 or lindameierd@gmail.com).

We will have inspection at our February meetings, so if you have a book that needs to be inspected, please plan to arrive at 6pm with all necessary materials.

If you have not renewed your membership yet, please do so! If you would like to volunteer, we have a lot of opportunities, so please let me know and I can help direct you to what we need.

As always, please keep our veterans, members and their families in your thoughts and prayers as we have several at home, hospital or care facility recovering from various illnesses.

Our next meeting will be February 9, 2021 at 6:30pm.
