From the Commander

Fellow Comrades,

Happy New Year!!

Welcome back to another fun-filled year at our post. Hope all our Snow Birds are enjoying the weather wherever they are.

I hope everyone had a Merry Christmas and got all that they wanted.

The Christmas parade had a good turn out for spectators but our post was a little shy on people to march.

Condolences go out to the family of Paul Young Sr. who passed away.

The Army/Navy game ended with half of the fans at the post very happy. As always, lots of good food and camaraderie.

Volunteers are always needed for all our events. Please see who is in charge of the dinners or other functions to volunteer. We cannot take so much time to keep calling people to help. Please let someone at our post know you are willing to help.

The "Queen of Hearts" Game will be starting up the January 1st. Come into the post and get the Info. on it.

For the Good of our Country
Jerry Doran
Commander

Auxiliary News

Dear Auxiliary Members,

Thank you to all those who give their time to help our post and our Veterans! Our Post wouldn't be what it is without your help.

Our kids Christmas party was another huge success! The smiles on their faces as they sat with Santa and opened their presents were priceless! The kids were able to make cards and ornaments that were sent to the veteran's home to help make their holiday a little brighter! Thank you to all those who made this possible.

Please take a moment to send thoughts and prayers to the family of Renee Scudder as they go through this holiday season without her.

Auxiliary elections and committees will be coming up soon, please start thinking how you will get involved to help our auxiliary, our post and our veterans.

We will have a new protocol for our fish dinners, starting in February, you will purchase your ticket, and then stand in line to get your dinner from the kitchen window. We will have waitresses available for those who are unable to stand in line. We are hoping that this new process will help expedite the serving process, as well as help us run the dinner with fewer volunteers as staffing continues to be an issue.

Our next meeting will be January 10th at 6:30, hope to see you there.
