Auxiliary News

Fellow Comrades,

We really had a busy in May. 1st we had the Yard Sale Underwear band come to our post. Everyone there seemed to have had a great time. Hope they'll be back again.

Then, we had the spring bike run. About 750 motorcycles were at our post. What a sight that was to see all those bikes coming down Walsh Rd. and into our parking lot. It's too bad the weather was not that accommodating.

The election of officers.

Poppy sales were down quite a bit from previous years due to the fact that we could not sell on the street corners anymore and that we didn't have enough volunteers AGAIN!!! Thankfully, we did have a number of businesses let us sell on their property.

As always it was the same people putting flags on our departed comrades and auxiliary members at the cemeteries.

The Memorial Day Parade was almost a shame. We had so few members marching in the parade. Please remember that one day you will want to be remembered as a veteran.

Dear Auxiliary Members,

Thank you so much to the members and community members that walked in the Memorial Day parade, what a great way to honor those fallen heroes. To those who took time to place flags on the graves of our local veterans, your deed did not go unnoticed or appreciated!

Please mark your calendars for the 4th of July parade; we will need lots of help handing out flags to children on the parade route!

Thank you to June Russell and all of our newly elected officers who were installed at our May meeting. Without your help and support, we would not be able to continue as an Auxiliary.

We are still in need for someone to chair the Labor Day bike event. If you would like to head this event, please give me a call and we can talk. This is a fun event for the community that benefits our veterans.

At the May meeting we were able to sponsor three young ladies to attend Camp Trotter. We hope they have a wonderful time, and we will invite them to a meeting when they return to tell us all about their experience!

Thank you to Gloria Hesse for orchestrating all the local scholarships and essay awards. It is a lot of work to organize, and we are seeing a lot involvement from our local students and teacher.

We are also in need of a chairperson for the bake sale table on fish fry nights. Starting in July, if we do not have anyone who steps up, we will no longer be offering desserts. Remember, the money raised at the bake sale table go into the children's activity fund.

Our next meeting will be June 14th and 6:30pm, hope to see you there
