## From the Commander

Dear Comrades,

**Elections are coming up. We will need someone for Commander.** Please consider running and let me know if you would like to run so I can assist you to take office and share information. Please consider coming to a meeting as well we could sure use some help making important decisions for our club. Remember, if you do not participate you really have no right to complain.

We need a chairman for the Shrimp Dinner. Our current chairman has job commitments. Please let me know if you wish to take that on. You will have help to figure it out and get you started.

Poppy Day is on its way. There will be some changes this year as we have limits on the time in Montague. Depending upon what stage we are in we may have to wear masks and gloves. A sign-up sheet will be up shortly.

Please check out the calendar for our events and dinners. Joel and I will be doing gumbo again on the 13th.

We are also planning a recruiting event at Walmart. We will have information out and service stuff for veterans. I hope to get approval for May 22nd.

Thank you for all you do for our post. As always feel free to call me with any questions or concerns along with what you will do to try to fix it.

## Auxiliary News

Dear Auxiliary Members,

We are all excited that we are finally open and able to see everyone! Please give some grace as we get used to all the new rules and regulations, things are going to be different and slower, but we will get through this together.

Dinners are going to start up again, we hope to see some new (and old) faces, make sure during the dinners (and while you are waiting) we are remembering to be masked up and practice social distancing.

Thank you to all the members for ensuring your memberships are paid. We made the 100% dues paid list for 2021 (shout out to Linda Meier for all your hard work and friendly reminders).

We have had some new member join, so if you happen to see them, please give them a warm welcome!

Thank you to Brenda Hildebrandt for your donation to our Auxiliary, it is much appreciated as we get through these tough times.

We are in dire need of more volunteers for the various dinners/events that are going on at our club. Some of our 'regulars' are getting burned out, and desperately need a break. Give me a call and I can let you know how you can help and where we need some more volunteers.

Remember, our next meeting will be March 9th at 6:30, we would love to see old and new members in attendance.

Please continue to keep our veterans and their families in your thoughts and prayers.
