## From the Commander

Post Members,

Here's to another month of being open. Hopefully, you all are well.

The honor guard has been very busy doing memorials for veterans in the past couple of months. Thank you to all who serve on this for your dedication to honoring our fallen comrades.

We have another month of great food choices. I really appreciate those who are stepping up to help us out. Please come to a dinner or lunch this month. Good meals and your helping our post to survive this trying time.

County Council and District have had their meetings at our post recently, as we have an outdoor area that could accommodate them.

Please continue to wear your masks when you come into the canteen. Restaurants and have been closed that were not enforcing these rules. Please listen to your bartenders when they remind you to mask up. We know its inconvenient- but let's all follow the rules so we can stay open.

Regular meetings have begun again. So please attend a meeting, we need your input.

Thank you for all you do for our post. As always feel free to call me with any questions or concerns along with what you will do to try to fix it.

## Auxiliary News

Dear Auxiliary Members,

Another month has come and gone with our 'new normal', and I hope this newsletter finds you safe and well.

Thank you to all those who have helped with our dinners, we are doing well adjusting to all the new requirements and regulations and getting back into the groove of things after being off for several months. We appreciate all the patience and grace, and know that each month we will get better!

POA/MIA day was September 18, I hope everyone had a chance to honor those who were held captive and returned, as well as those who remain missing. Gold Star Mother's and Family Day is observed on the last Sunday in September, this is a day to honor the mothers and families of fallen military members.

On October 17th Reuben is hosting a softball tournament at the VFW ball field to bring money in for our post! There will be lots of ways to volunteer, please reach out for ways you can help!

Please keep Joyce Patton and her family in your thoughts and prayers and she recovers from a recent illness. If you would like to send her a card, please reach out to me for her address.

Our In-House meeting is October 20th at 6:30pm, and remember, that all members are welcome to attend these meetings.

Next meeting is October 13th at 6:30 hope to see everyone there!
