## From the Commander

Hello Comrades,

We had a very good District meeting at the post on the 12th. Thank you to the Auxiliary for the wonderful luncheon, and to those who did attend. I apologize to those who came to the bar at 2 on that date, but the meeting ran longer than we anticipated.

I would also like to thank the Auxiliary and all of the members of our post who have donated to the building fund. Every little bit helps!

I continue the search for an officer of the day. Fortunately, Comrade Dahl is willing to continue in that role on the honor guard until we find a replacement, as well as properly train the new one. Please take a moment to consider the position. We have uniforms available for those wishing to join the honor guard as well. Please help us to honor our fallen Comrades.

Again, I remind you, if you do any kind of volunteering for other organizations or even driving veterans to appointments, please fill out a community service form. Things like volunteering at church, schools, nursing homes or other organizations count. Forms are posted by the bulletin board as guidelines on what is report-able. We have to report these hours to National and they reflect well on the post.

Please take time out to come to a meeting, we need your input on decisions affecting the post. If you don't come to voice your opinion, then you can't complain about the results.

We're getting down to the wire on the Queen of Hearts, buy your tickets while you can and good luck!

Feel free to call me with your concerns, along with what you will do to help fix it.

Respectfully,  
Cindy Evertsen
